# Skinny Minis & **Butt-lickers**

Dear Virgin Territory,

I just received my Feb. '12 issue. I really enjoy your magazine. One of my favorite girls is Josie. I like teen girls to be real skinny, 90 to 101 lbs., and 4'11" to 5'2" and flat-chested. I also enjoy brace faces. What I'd like to see is girls in short skirts and thighhigh stockings. Let's see more photos of the girls wearing their clothes throughout the spread. As much as we like to see the girls naked, their outfits still stimulate our fantasies.

What I would also like to see more of is guys licking girl's assholes. That photo on page 71 of Bella getting her asshole licked made me pop. Oh, and no hairy pussy. I want to be able to see all the beauty. Keep up the great work.-L.B., Fort Worth, Texas

Dear L.B.,

Here's the butt-licking photo of Bella that you mentioned. Be sure to check out the butthole special on page 78, too.

# **Cherry Be Gone**

Dear Virgin Territory,

I loved that you showed fresh, little Bella losing her virginity in the Feb. '12 issue. You should make a video with that theme. Do a close-up beforehand shot where you can see the

girl's cherry, and then a close-up shot after she has sex to see that it's gone.

The fact that she agreed to have her first sexual experience photographed is a huge turn-on for me. Part of me wishes that more virgin girls were that open-minded, but at the same time it makes it all the more precious that this is something rarely seen.

One of the best photos was on page 71, with Bella looking over her shoulder with such an alluring gaze while getting her anus tongued. It's almost as if she's saying, "I'm ready. Are you?" She looks so natural and happy in the photos of her having sex. It looks like her first time was a good one! Unfortunately not all of us (myself included) can say the same! Thank you for this excellent layout.-R.B., Portland, Maine

Dear R.B.,

That was a rare shoot for us indeed! Glad you liked it.

# Laylah Needs to Relax

Dear Virgin Territory,

Laylah needs to learn to truly relax in front of whichever Score Group team that is photographing her. (Don't be shy, Laylah. They're professionals!) She looks too stiff, and the forced grin that seems permanently molded into her face distracts from her obviously hot body. If Laylah could find a way to smile naturally and appear just a bit more at ease (despite her not being a novice model as evidenced by her previous sets), she would look even more alluring than she is now. And mind you, she

has plenty of allure right now to lust over.-R. via email

Dear R.

Although Laylah did shoot several sets with us, she isn't a professional model. We think the amateur feel of her photos is part of their charm.

# Teen Fantasies

Dear Virgin Territory,

Wow! Great job on Flat & Fucked 5. That's just the DVD that made my fantasy. I love the bra and panties Josie Deville had on. Also Moretta Cox and Kyleigh Ann are just the type of tiny-titted teen I love. I loved them all to be honest.

18eighteen magazine and DVDs are done so well. I love seeing teen girls in their panties and bras. I must say my favorite DVDs are Teens in Need and Stranded Teens. I suggest doing a part 2 for each. Different girls of course. Sam has a hot bush in the Jan. '12 issue on page 68. Karmen in the same issue on pages 56 and 57 has just the type of

panties I love seeing teens in. Again, great job.-J.M., Victoria, Kansas

Dear J.M.,

Sequels for Teens in Need and Stranded Teens sound like a good idea. Thanks for your input.

# Titillating Tiffani

Dear Virgin Territory,

Tiffani from the Feb. '12 issue is a real cutie. I love the all-American look, and blondes are my favorites. One of the types of photo shoots that I like the most are two blondes in

lezzie action. If you could photograph Tiffani again with someone like Jessica from the Oct. '11 issue, that would be fucking hot!–G., via email

Dear G.,

Unfortunately we don't have another pictorial of Tiffani at the moment, but here's a bonus photo of her for you to enjoy.

Samantha Sighting

Dear Virgin Territory,

The most incredible thing ever happened to me. I saw one of your models in real life! I was at a young women's clothing store with my girlfriend,

waiting outside the fitting room for her. While I was standing there, I saw a petite girl folding clothes from behind. I thought she had a great ass. She turned around and it was none other than Samantha from the Feb. '12 issue! I recognized her instantly. I must say she is even cuter in person! It was the surprise of my life. She was wearing skin-tight jeans and had herhair tied back in a little ponytail. Of course I have enough tact to know I shouldn't say anything to her. But I kept fantasizing about taking her into one of those fitting rooms and

doing the same things that were in her hardcore pictorial in the Oct. '11 issue. That is my first 18eighteen girl sighting ever, and it was so awesome!–K.M., Miami, Florida

Dear K.M.,

Whoa! That's incredible! Congrats on the 18eighteen model sighting. Here's a bonus photo of Samantha for the rest of the guys who wish they could bump into her!

Reader K.M. bumped into Sam in real life. She's just as hot in person!

# Bonnie's Bush

Dear Virgin Territory,

I have received your Feb. '12 issue. I want to say thank you, thank you, thank you, for Bonnie on page 43. She has the most beautiful pelt I have seen in many years. Bonnie is an A+. Thank you. I also want to mention Iwia on page 18. Very, very nice. -D.A., Sun Valley, California

Dear D.A.,

Thank you! We have some more bushy babes lined up for the future.

Dear Virgin Territory,

This letter is for lovely Bonnie in the Feb. '12 issue. You are so sexy. Please don't shave your pubes, they make you hot. Bush is sexy and real women always have nice, hairy pussies.-C.E.,

Dear C.E.,

We'll be sure to pass your message along to her.

Dear Virgin Territory,

I am first of all writing to agree wholeheartedly with I.L.W's letter in the January '12 issue regarding Aubrey who made such an impact with her set in the August '11 issue.

She must really be one of the most

beautiful girls you've featured and I'd love to see a follow up photo shoot with Aubrey sometime soon!

Like I.L.W. I'm afraid to say that I didn't really take much notice of the rest of that issue once I had discovered the beautiful Aubrey. An amazing girl in every respect.

However, secondly I think that you may have found a girl to rival Aubrey in beauty and sheer sexuality in your February '12 issue with the awesome and breath-taking Bonnie.

Wow...words fail me. Not only is she stunning and gorgeous, with nice, small boobs, pretty face and a superb ass, but that full bush is just wonderful! I'm so used to seeing your models shaven that I'd forgotten what a turn on it was seeing full pubic hair as nature intended!

You started the bushy trend with the lovely Sam in Jan. '12, but Bonnie is just mind blowing. The spread on pages 48-49 is simply amazing. God, how I'd love to be the guy who helps her lose her virginity.

So another feature from Bonnie would be most welcome. Bonnie and Aubrey in the same issue perhaps? Then again perhaps not. I don't think I'd be able to stand the sheer orgasmic delight that such an issue of 18eighteen would bring!

Thanks for providing us with such beautiful girls as Aubrey and Bonnie. And please include more with the full bush. Men do like that I assure you. Thanks once again for an excellent magazine.—R.B., via email

Dear R.B.,

Our most recent bush babe was Tracey from the April '12 issue. We hope you enjoyed her. There are more unshaved pussies to come in 18eighteen!

# **Unusual Nips**

Dear Virgin Territory,

Iwia is amazing. I don't think I have ever seen a girl with such big nipples on small-sized breasts. They're like sand dollars! I love it when girls have unique features like that. Aside from her nipples, she was very beautiful. Her dark complexion and hazel eyes are magnetic and mysterious. Her body is a soft, tight wonderland.

Simply flawless. One day I will have to visit the Czech Republic, as they seem to have the most beautiful girls.—S.S., via email

Dear S.S.,

We had a feeling that readers would be intrigued with Iwia's large areolae. We've noticed that unusual nipples that are puffy, inverted or large like Iwia's usually strike guys' interest.

# Posture, Braces & Pubic Hair

Dear Virgin Territory,

I totally endorse my fellow countryman C.'s praise for the full-length, natural-looking, symmetrical, legs together shots you have been

indulging lately. More, please! I realize that, as you say, you have to include a variety of different poses to keep everyone happy, but just one or two photos in each layout of this heavenly stance (which incidentally works best on a girl with generous thighs) would secure a purchase from me every time.

Dec. '11 is, I believe, your best ever issue. (Until next month, anyway, since 18eighteen is the only mag that is on a continuous curve of improvement.) Whoever decided to put Holly in a fairy costume and Sasha on roller skates deserves a medal! And as for

# Liza, the last time we saw you in the Holiday '11 issue you were a virgin. What happened?

"I'm not one anymore! At the time I said that I was probably going to have sex soon, and it turned out that I lost my virginity a week after taking those photos. Honestly, it wasn't that good! But I've had sex a few times and those encounters made up for the first time. I'm just starting to figure out what I like in bed."

# So what do you like when it comes to sex, Liza?

"I like it when the guy goes down on me. It feels the best when he licks my clit gently and fingers me at the same time. Getting my butthole also feels good and tickles. So far I have only had orgasms by being on top and from lying on my side with the guy rubbing my clit as he fucks me. Doggie is good but I haven't cum from it yet."

# How does sex compare to masturbating?

"I know how to give myself more orgasms when I masturbate, but sex is more fun and satisfying. And I am much more horny when I'm fooling around with a guy. They both have their good aspects to them, but I'd rather have sex."

#### VIRGIN TERRITORY

Continued from page 8

Lily and Nomy, I nearly disgraced myself right there in the shop!

I had to carefully draw braces on the teeth of all four of these girls. Their sexy, young mouths seemed to be crying out for the treatment. No such work was needed with the everamazing Moretta, of course, as she comes ready-fitted with a mouth full of metal, bless her! Any chance of a metal mouth special issue some time? Including reprints of brace-faced girls from past issues, perhaps? Were Kat and Leah Luv, my two all-time favorite metal mouths, ever on your roster in ther younger days? Can't remember but I hope so.

I also agree with C.'s request for stockings and suspenders, which look absolutely awesome on a teen. Yet they hardly ever appear in teen mags, and I am at a loss to understand why. Please break the mold.

Pubic hair is also something that I strongly approve of. I am glad you are showing some hairy teen girls now. It seems that attitudes are slowly turning back towards natural hair (which was almost always shown way back when, until the shaving craze took hold in recent years). Again, I realize some men are only interested in shaven, but maybe you could aim at a roughly 50/50 split.

Finally, I was pleased to read that a clinic themed spread is coming soon. When taking the photos, please remember that girls always stand like soldiers on parade when awaiting a doctor's examination, so a couple of shots at the start portraying this moment accurately will make C., me and, I am sure, countless other men who appreciate the natural shape of a young woman, very happy indeed. Keep it up, guys. And allow us to keep ours up!—N.B., Middlesex, UK

Dear N.B.,

We featured a Metal Mouth special in the Oct. '10 issue of 18eighteen. We would love to do a whole issue dedicated to girls with braces, but we do not get enough brace-face models at one time to do this. However, it's likely that you will see another braces special in the future. And yes, Leah Luv was in the Feb. '05 and Aug. '05 issues.

It wasn't a fishing pole that 18-year-old Maggie was interested in, but what could she do? The guy she wanted desperately to fuck had a boat, she had an invite, and if this was the only way to get her daddy's best friend alone, then she was willing to do whatever

raphy class when she was 15, with all the pockets but way too snug over her blossoming boobs? Check, check and check. She puckered her lips. Hers were red and plump and already pouty, but she figured there wasn't anything that couldn't be improved, and took out a tube of gloss. Cherry flavored. Just because she didn't have one, didn't mean she couldn't smell like one.

> Completely satisfied, she grabbed her

a coronary if he found out she'd customized it with a pink grip she'd yanked off her old bike-and headed for the dock. She was ready. Now, all she needed to do was surprise Doug, her dad's best friend,

and convince him to let her get on board.

Maggie coming and smiled, eyeing the parking lot behind her. Gary must've brought her, he assumed, scanning for his friend. Odd, he thought, that he hadn't spotted him yet. Maggie was almost to the boat already.

A strange, uneasy feeling formed in

but it was more than comfortable, and he took her out every chance he got. Often, he took a group of close friends, like Gary and some of the guys from the office, with him. He'd invited Gary and his kids the night before, after they'd had dinner together. But so far, there was only Maggie, and if Gary and Mark weren't with her, that could only mean...

"Ahoy!" she called, standing on the pier, bouncing up and down in her plain, white deck shoes. Really, really bouncing. Her boobs looked like they'd been poured into the tee she was wearing. She waved. "Request permission to board!"

Mark swallowed. Maggie was a good kid. A great kid, in fact. But she was, what? Barely 18 now, and her flirty nature made him uncomfortable. He knew it wasn't serious-it couldn't be. He was forty, after all, more than twice her age. He understood she was just being a tease, the way teenage

girls could be, testing out their newly discovered sexuality. Doing it with somebody safe, who they didn't really have any interest in.

Right?

That's what he was telling himself, at least, moving towards the stern and taking in her outfit. Her shorts looked like somebody had run out of material while stitching them. Her vest looked like she'd outgrown it a year ago. Maybe longer. And the practically see-through tourney fishing tee-from the '10 competition if he remembered right-was plastered to her tits like she'd just showered in it.

Maggie's sexuality was anything but newfound. Her hormones had gone into overdrive on the first day of senior year. To her, it felt like her pussy had been dripping nonstop ever since.

She used Doug's outstretched hand to haul herself onto the boat, pulling him off-balance. For an awkward moment, his face was practically pressed into the indent between her breasts. Flustered, he let go and stumbled back a step.

"Hey, Maggie. Where's your dad?" "Couldn't make it. Hadda work."

Doug stared up the dock, mind racing wildly about the situation.

"So...Mark brought you, then?"

"Nope. He had a date. I didn't, so figured I might as well get my stuff wet."

Doug's eyes shot back to the scantilyclad teenager standing right in front of him. She wagged the tip of her rod. The hook and sinker jangled, and he let out a deep breath he hadn't known he was holding. Jesus Christ...were her

nipples hard? "So, you ready to take it out?" she asked, jamming her pole into one of the railing mounts.

"Huh?" Doug answered, eyes fas-

Maggie's shapely ass. Two white, cotton semi-circles had slipped into view when she bent down to secure her tackle box. She turned to look up at him, still bent over.

"You know, take it out...the boat. Out there."

She pointed to the open water in the distance. Doug felt the vein pulsing in his temple calm down a bit. Good, he told himself, he might not have a stroke after all.

He gave her a salute, which saved him from having to say something given his dry throat, and stepped back toward the captain's chair.

"So, just the two of us, huh?" she observed, leaning on the half-gate that led to the foredeck. Doug's hand shook as he throttled up the engines.

"I, uh, guess so," he admitted. Before nosing out of the slip, he checked behind him one last time. No Gary. No Mark. He hadn't invited anyone else. It'd be just him, and Maggie, like she said. Just the two of them. Alone. On a boat.

As he cleared the pilings and nosed the boat into open water, pressing his dick into the wheel so his hard-on wouldn't be so obvious, he wondered if perhaps he wasn't making the biggest mistake of his life.

At least, he thought, getting a sneaky peek down the front of Maggie's shirt at her knockers, the scenery would be good.

> oug dropped anchor a few miles offshore. There were a hand-

ful of other boats out, but far off, looking like dinghies in the distance. Maggie rustled around in her tackle box, and again, he found himself ogling her bloomers. This time, he even glimpsed a bit of ass cheek.

Eventually, she came up out of the box with a big tube of sunscreen, tapping the knobby, flesh-colored cap

> against her bottom lip. Doug hoped his khaki shorts were loose enough that she couldn't see his throbbing erection.

"Where can I rub this on?" she asked. He had some ideas, but figured it was an innocent enough question, despite how it came out. "I want to get it all the way up my thighs, and on my neck, y'know, so I don't burn."

She pulled on the front of her tee, showing him a clear view of her ample cleavage.

He hated to admit it, but ever since she'd turned eighteen, he couldn't help but notice her cans. Sure, they'd always looked nice when he stole a look at them, but he hadn't expected them to look this fantastic in that lowcut pink bra of hers. Or that there'd be so much to see...

"You can use the bathroom, there's a mirror," he told her. "If it's too cramped for you, well, I guess you can use my quarters."

Doug seriously hoped she'd opt for the bathroom. The thought of her below deck, sitting on the edge of his bed, taking off her shirt...maybe her shorts, spreading her legs so she could rub sun screen all the way from her toes to her-

"Hope it's nicer than a party boat," she said sarcastically, making a face and turning away.

"Hey!" he protested. "You know I have to use it, too!"

Maggie laughed, and a second later, he joined in. Party boats were notorious for having filthy toilets. Not true of the Happy Ending.

He rigged their poles, took his up and dropped a line. A few minutes later, Maggie reappeared.

# Hey, Lorena. You have a great figure. Do you play sports or workout?

"I don't really workout, but I played soccer in high school. That's how I got these legs. I think they're my best feature. And to think the reason I joined in the first place was just to hook up with the cute girls on the team! That eventually happened, but I actually really liked the sport. I would like to get back into it, and maybe have some after-practice pussy eating sessions like how I used to. The girls and I would go into the showers and rub each other down with soap, then we would take turns eating each other's pussy. It was really good for the team morale."

# What's the kinkiest thing you've ever done?

"My brother had to get an emergency appendectomy. The nurse who was helping him was a really sexy guy, and I started flirting with him really hard. We ended up going to the men's bathroom in the emergency room and fucking. It was so hot to pull down his scrubs and see his big cock there, waiting for me to suck it and ride it. We had to be quick so nobody would notice. Even though we were rushed I came so hard while he fucked me doggie-style."

## With an ass like that, do you enjoy anal or anal play at all?

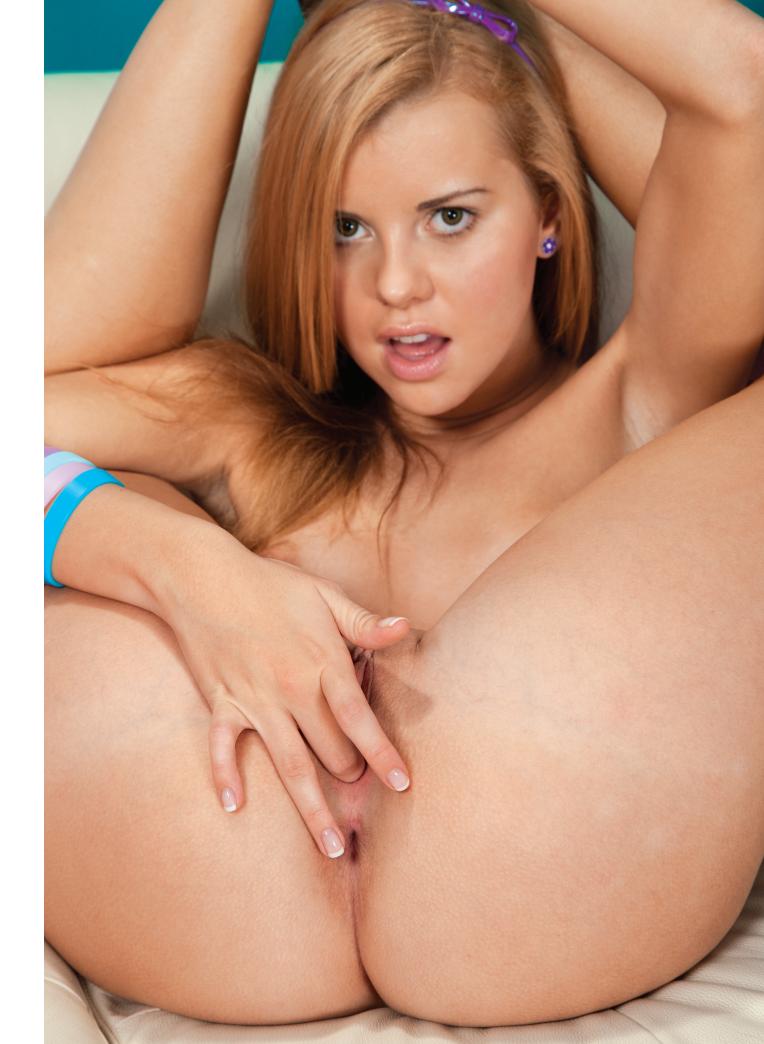

"I'm a little scared to try anal. A finger is the most I've had in there, and I'm not in a rush to change that! It does feel good when a guy licks it though. But I'll save the anal for later. Usually guys just want to see my ass bouncing on their cocks, anyway. I know that I can make a guy cum really fast if we do it doggie-style. I swear, it never fails. I think it's because they like the way I shake my ass. And while they're thrusting into me, I thrust back and tell them to slap my ass. Then they grab on my ass like handles and blow their loads!"

### **EXPLORING HER DEPTHS**

Continued from page 28

"How's the head?" he asked, referring to the boat's toilet.

"Gee, I've never had any complaints," she shot back. Doug promptly spat Coke through his nose.

Maggie took her pole and stepped around the side, so as not to cross lines with him. Doug kept glancing over, unable to control himself. The last time he'd seen a girl oiled up like that, he'd been watching strippers wrestling in a kiddie pool and tearing off each other's bikini tops.

He turned away, hoping she hadn't noticed him staring. Heck, maybe even drooling. There was no denying it, he was horny, and she was the reason. Damnit! he reminded himself. This was his best friend's daughter. Not some

pole-dancer you paid to bring you a drink, sit in your lap and put her tits in your face so you could grind your cock into her-

"Nice pole," she said, snapping him out of a gentleman's club flashback in which a very hot, very limber Maggie lookalike unzipped his pants and for an extra twenty bucks broke every rule posted outside the VIP room. What had she said? Something about his pole? Oh, shit...was his dick sticking out?

Maggie pointed. Doug noticed the big bend in his rod and began reeling in. A bite, that was all. He'd gotten a pretty decent nibbl...

"Wow, looks big," Maggie breathed into his ear, making him jump. She was looking over his shoulder, down at the water, waiting for his catch to surface. Doug smelled the sun tan lotion, a rich vanilla. That, and cherries. He swallowed hard.

"N-net," he croaked, keeping the bluefish at the waterline. Maggie skipped-boobs jiggling-to the net and scooped Doug's catch out of the water, dumping it into a bucket. She applauded, jumping up and down, her firm, high school hooters making Doug's knees weak.

"I'm getting a water, you want anything?" he asked, needing to get away from her, if only for a minute. His cock was throbbing so hard he could've touched it and taken his

pulse. Through his shorts.

"Yeah, it is getting kinda hot," Maggie agreed. "I'll take a water."

Doug went below, grabbing two from the fridge. He held one against his forehead before heading back up.

"Here you go—" he began, offering her a bottle. Maggie turned, smiled, and took it from him.

Topless.

Well, not quite topless. Her shirt was off, and her bra could've doubled as a bikini top. Doug looked around nervously, but there were no other boats nearby. Nobody to see his best friend's teenage daughter fishing

Her nips came into view, the scand stands of a scand stand stands of a scand standard of a scand

without a shirt on. That thought, though, was quickly crowded out by another. Good god but did he want to fuck those luscious tits of hers...

"How's the, uh, tanning going?" he asked, unable to think of anything else to say. She saw that he was gaping at her. Maggie looked down at her chest, as if wondering what in the world he was staring at.

"Eh," she said, shrugging her shoulders. Her boobs rose out of the bra just enough to flash him some nipple. Doug's cock was so hard it was starting to hurt.

"Any action?" he tried, gesturing to her fishing pole. Maggie was busy reaching into her packed cups, adjusting her boobies.

"Not for a couple months," she sighed. "What about you?"

Doug did a double take. By the time he caught up, Maggie was returning the favor. She was staring at the bulge in his shorts with undisguised interest. She clicked her tongue against the roof of her mouth in disapproval.

"Well, well, well...It looks like I'm not the only one hasn't gotten any in a while. Damn!"

Doug glanced at his crotch. A precum dark spot was just beginning to soak through his shorts. He felt hot with embarrassment, but hotter with lust. While distractedly staring at his unmistakable hard-on, Maggie swooped in. Deftly, she undid the button keeping his shorts closed...barely.

"Hey!" he said, shocked. "What are you doing?"

"Keeping that button from popping off and hitting me dead in the eye," she answered, putting her tiny hand on his chest and reaching into his boxers. Slender fingers wrapped around his manhood.

"Geez!" she exclaimed, her eyes widening at the sight of his prick. "We put some ten pound test on this, we could fish for shark!"

Doug tried to fend her off, but it was a feeble attempt. Maggie pressed her tits into his face, and he inhaled the scent of her, soap and suntan oil and sweet perspiration. She grabbed

hold of his dick using both

hands, the motion pulling her bra cups down, exposing her perky knobs. Her nips came into view, swollen and pink,

her areolas the size of quarters. Doug hesitated. He wanted to resist, he really did. He closed his eyes, Maggie stroking his cock, greasing him up with his oozing pre-jizz.

"Oh, fuck it," he sighed with sweet surrender, opening his mouth and engulfing one of her upturned buds. Maggie shivered as his tongue swabbed her taut, swollen nipple.

"Oooooh," she said, cupping his nut sac in one hand, jacking him with her other. "And here I hadn't had a nibble all day."

Doug fumbled with her shorts, stuffing his hands down the back and fondling her sexy bottom. She wiggled it, teasing him, making him even more desperate. He didn't think he could get any harder–not without bursting a blood vessel.

He tilted Maggie's chin up, and planted one on her. For a guy his age, it seemed out of order. Usually, he made out with a girl before she was topless and letting him suck her tits while she played with his dick. But Maggie seemed to dig it, releasing her grip on his shaft. She pressed her short fingernails into his shoulders as he groped her ass, pulling her against his prick. The fabric of her simple, white cotton bloomers gave, enough for his fuckstick to nuzzle into the warm furrow between her legs.

Maggie ground her snatch into Continued on page 84

## Welcome back, Rilee. We see that you still have braces and your boobs are still as nice as they were in the April '12 issue.

"Thank you! And yeah, I'm going to have braces for a while. The orthodontist said for at least another year! I can't wait to get them off. They get in the way of things, like giving head for example! The last time you guys talked to me, I'd never done that before. But I tried it for the first time recently and it was a lot of fun. I really liked the way the guy's big, hard cock felt in my mouth, and how I could make him moan and squirm."

## When we last spoke, you said girls told you that your pussy tastes good. Do guys say the same?

"Yeah, they always tell me my pussy tastes sweet. One guy told me it tastes just like cherry pie! I was surprised to hear that 'cause he ate me out after I'd come back from a long ride on my bike. I was a little embarrassed to let him go down on me without taking a shower first, but he insisted. And he reassured me that it tasted great."

**By Pauline Worth** 

s often as I get letters from young women-whether seasoned honeys looking to expand their already broad horizons by sharing the details of their sexy conquests or first-timers, shyly copping to their natural naughty tendencies-so, too, do I get plenty from the boys. And even if a few are bawdy, boastful accounts of bedroom antics with willing, young women, more often they are polite, inquisitive letters seeking advice on how best to woo the teen morsels of their dreams. What do the girls they dream about like-whether on dates or in bed? What types of guys do they go for? That sort of thing.

See, ladies? The men really do want to please you.

And since we all know the ladies most certainly want to be pleased, I took it upon myself to enlist the input of a few willing, young beauties to answer a few of the most frequent questions I get, a transcript that can serve as a loose "Gentleman's Guide to Teen Dating," if you will.

The girls and I met in the tastefully outfitted suite of a well-known hotel. We sat, talked, enjoyed some snacks and got to know one another. And as we did so, the truth slowly emerged from their hearts and minds and the other soft, sexy places in which girls keep their secrets.

Mercifully, this won't be the garbage the newsstand rags try to sell you. No, Sir. The below is certifiably genuine from a handful of equally beautiful, but each very different girls;

sage advice on the dos and don'ts of dating them. And doing them.

## THE GIRLS

Gabby, 19: A doe-eyed half-Latina, this young brunette came from a pretty strict household in the Southwest. She is tiny and slim-hipped with an impressive 32C bra size, and while she enjoys being smooth down below, she prefers shaving to waxing. "I love it when my man watches me do it, too." Still a virgin (in the most Biblical sense, anyway), she plans on waiting until she's married before having traditional intercourse, but that limitation hasn't prevented her from enthusiastic pursuit of a multitude of pleasures both oral and anal. "And," she adds with a coy giggle, "fucking myself with a vibrator doesn't count."

Michelle, 25: A graduate student with a hearty sexual appetite, Michelle works as a medical receptionist by day and takes most of her classes at night. "That doesn't leave me much time to waste on a relationship," says the long, lean, ebonyskinned beauty. She likes to date older and married men exclusively. "It's mutually beneficial," she notes, licking sensual lips. "I want to like them, I want to enjoy their company, but mostly, we both want sex without commitment. I won't date the younger ones because they lack the experience my body deserves. I don't want mine to be the first or second pussy he's fucked or licked. I want him to know what he's doing. I don't want to give lessons. I want to get schooled." She says she gives back double what she gets.

**Peyton, 18:** She is all-American. Natural platinum hair, baby blue eyes and pouty lips frame an ivory apple-

cheeked Midwestern face. "I like guys who bring presents-candy, flowers, and teddy bears-cute things!" She is also your classic case of the shy, horny girl. Her face flushes at sex talk. "It gets me excited and embarrassed at the same time. My last boyfriend used to talk a little dirty to me. Tell me things he'd wanted to do...." She pauses, pressing her thighs together nervously. Her voice gets whispery. "I'd get so wet I almost didn't want him to touch me. But then, when he did...." Overall, she says, "I just want a nice man who's sweet to me. I want to be one guy's girl."

Gia, 20: "I'm experimental," she admits. "I don't mind sharing a guy with another girl-if he lets me get a taste, too." Gia has olive skin and dark hair and hazel cat eyes, "that roll back in my head when someone does me just right," she admits. "I like watching porn. I like watching myself-or me and my man-in the mirror. I like wearing sexy outfits and the attention it gets me. I even kind of like getting my man jealous." She says she has a recurring fantasy in which she brings another man home and lets him touch and please her while her boyfriend watches, but doesn't participate. "Well, maybe he can join in...but only after a while."

## **1** Do you put out on the first date?

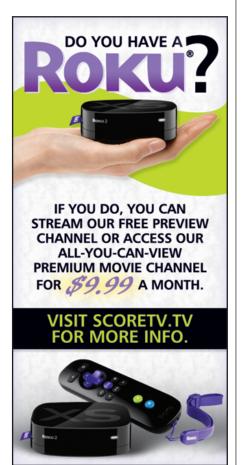

**PEYTON:** Never. Well, maybe if it's an exceptionally good date—a goodnight kiss and some really sexy making out, but never ever anything more than that. I love to kiss. Good kissing gets me, well, it gets me, you know. Excited. Wet. It makes my nipples hard. It makes my cunny tingle.

GIA: So, even if you're really hot and

wet and breathing heavy, you wouldn't let him slide a hand up your dress in the front seat of the car?

**PEYTON:** [Blushing] No. I might be thinking about it, but I'd rather wait. I've only had actual sex with two people and even though I loved it, I'd rather just say goodnight, go back up to my room, change into my nightie and you know... I could just touch myself down there, spread my legs wide and touch with both hands and think about what might happen down the line. And how nice it will be to wait until it's special. And then give myself to him.

MICHELLE: I almost always go all the way on the first date. I only really date for sex. And if I like the sex, if you have a big cock that tastes good, if you like pressing your whole face into my tight, wet, hairy pussy and eating it until I cum, if you have thick fingers and you know how to put them up inside me and talk dirty-really dirty-in my ear? If you night in his car and started kissing, and he was getting me real hot. All of a sudden, I decide to get nasty and I pull up my dress to show him my bald coochie-it was getting the leather seats in his car all wet-but I'm pretty sure he didn't mind, right? I said, "Baby, why don't you lick it for me?" I spread it open with my fingers, my legs all wide apart, and I let him see how slick and juicy I am. I flick my clit with my finger and I beg him to kiss it, leaning back as hard as I can against the door, giving him room to get down there for me. And he does it. He had this tickly beard and mustache and I could feel it in my pussy... GIA: Oh, I love that!

GABBY: ...right? Me, too! And he was good. He was licking it and sucking it and I could watch him suck it. He was just pulling my little clit into his mouth and he made me cum so hard. I was shaking for a couple of minutes. And then he sits up, and his face is all sticky with me, and I lean have all that going on, then you'll get: forward and I kiss him. And I say,

a second date. And a third. And if you lick my ass? I might just let you have that, too. I love to fuck, but I'm not slutty. I don't want to do it with a bunch of guys at once.

GABBY: Hey, hey-don't knock it til you try it, Girl! You know, I don't always go all the way right away, but there was one time with this guy-he was like 40 or something, the first older guy I'd gone out with. I really thought he was hot. He had a nice car and what not. But he seemed a little full of himself. I wasn't sure if I was going to go out with him again and I figured, "What the hell? I'll see if I can get some." So we were saying good-

"Next time, baby. I'll get you back, I promise." And I left him there in the car and didn't even turn around. I just let him watch my ass walk into my apartment building. **MICHELLE:** Hmmm, let me guess: He called you the same night and was sweet as pie.

GABBY: [Laughing] And he sent me flowers every day for a whole week until our next date. There's a lesson here, gentlemen. Sometimes we might test you. Don't make sex or orgasms something to keep score over. Be as giving as you'd like us to be. Give Continued on page 62

## Emily, isn't this guy kind of old for you?

"No way. I love older men. I started being more attracted to them recently because the guys my age weren't satisfying me. So I started thinking about how older guys have more experience and are mature, and I wanted to try fucking one. I did it and it was awesome. This man was all about my pleasure and making me cum, and he gave and gave to me."

## So who made the first move, you or him?

"I totally went for it. And even as I was throwing myself at him, he was hesitant. I think he felt like it would be wrong because I was the babysitter, I knew his wife and I was so much younger. But I didn't care. The fact that he was trying to resist me to be moral or whatever turned me on even more. If I acted that way with any of the guys I go to school with, they probably would have cum in their pants before I could even get their cock out. Not to diss on the young guys; I'm sure there are some who are good lays. But right now I'm all about salt and pepper men who can make me cum. To thank that one guy, I let him cum in my pussy."

more than you expect to get. In the end, it usually pays off.

## **2.** What's the best way for a guy to approach you?

MICHELLE: I'm different from most girls, but after a small amount of the regular polite chitty-chat, I do like to get matter-of-fact. Don't lie and tell me you're not married when you are. I like married men, but I don't want someone who's going to lie to get into my panties. Be straight up about that. If you're asked, tell the truth.

PEYTON: I'm a romantic. I like men to be sweet and polite. I like getting dirty when the time is right, of course, but I don't want a guy I've just met to say dirty things to me. I want him to be interested in me and what I like. He doesn't have to like all the same things as me, but he shouldn't be obviously bored with them. The high school guys I've dated, most of them, they just want to get naked and then get back to football or whatever. Recently, I've been seeing an older guy, like 30, and he remembered that I liked Taylor Swift and Jason Aldean and burned a CD to play in the car when we went out. He remembered I liked sushi and so one night picked a new place in a beautiful hotel for me to try. He brought me hydrangeas, my favorite flower. Just those little attentions to detail...[sighs].

Over dinner I was already thinking about how sweet he was and how I was going to ask him if he'd booked a room, but I was having so much fun, the thought got away from me. He took me to this beautiful balcony area, off a cocktail lounge near the top floor. The city was glittering below. We started to kiss and I could feel him getting hard through his pants and the barely-there softness of my silky dress, and my mouth just started to water. Before I even realized what I was doing, I'd led him over near some potted plants and unzipped him, sliding onto my knees, but carefully! I didn't want to ruin my dress! I put his cock deep into the hot wetness of my mouth. I like to get it really wet with spit and so I was leaning forward to avoid dripping on the gown, and the wind just took the hem right up over

my round, lily-white bottom!

It felt incredible and I forgot, for the moment that my whole business was showing to anyone walking by or even people in the building across the street! His hands were tangled in my long, straight blonde hair and he gently moved my mouth up and down his thick, sexy cock. I could feel the blood pulsing through it; feel his balls getting tighter with each soft, puffy press of my lips when I came down on it. It was growing longer and longer and I couldn't help but make these tiny, little murmurs of pleasure.

He'd been so considerate and thoughtful and I have to admit, he had a beautiful dick, too. But really I just wanted to show him how much

his actions, his sweetness, had turned me on, and I wanted to swallow every drop of his cum while his masculine hands roamed over my curvy rear end! I could feel him getting closer and went faster, reaching below to squeeze his balls—soft and firm—and work them in my hands and there it was; he came in my mouth like warm vanilla ice cream.

GIA: And did anyone see you!?

PEYTON: [Clearly flushed at how easy the story poured out of her. She giggles.]

Well, I didn't see anyone. And I'm pretty sure his eyes were closed most

of the time, but a couple of the bus boys shot me some suggestive looks on the way out. I was totally embarrassed, but what was done was done. I didn't worry about it. My man was holding my hand and happy. And I was happy, too.

**MICHELLE:** And after that?

**PEYTON:** He was such a gentleman that it turned out he hadn't booked a room. He wasn't so presumptuous. I asked him to and he did and the moment we made it inside, he stripped me naked, lay me spreadeagle on the bed and spent an hour licking and stroking every, single crevice of my body. [*Pauses*] Okay, I'm totally getting wet now. We have to stop. Next question!

What kind of things do you like a guy to do to you, sexually speaking?

MICHELE: Oh, come on, now-that's so subjective! Every girl likes different things in different ways. But you know, the one cool thing I've learned is that just because something sounds funky doesn't mean you won't like it. If you're curious, if the right man comes along and gets you turned on just the right way-it can open up a whole new avenue of fun!

I never let anyone near my back door. I thought it was nasty. But the last man I saw, he just had a thing for it. And he'd beg me, "C'mon, Michelle, just let me lick it. I don't even want to go inside. It turns me on so much..." And on and on and on.... Anyway, he was so good with his tongue that one night, while he was down there just munching on my snatch like there was blueberry pie in there, sliding his long, thick fingers in and out of me, just driving me crazy—he asked again.

"Baby, let me lick your asshole...?" I mean, I didn't even like the way it SOUNDED, but I was on my back and my legs were wiiiiiiide apart, and all my stuff was just out there. I was about this close to just creaming all over his tongue, so I let him. [She pauses] Oh, my God. I had never felt anything as heavenly as that big, wet tongue just teasing me there, relaxing everything. Though at first my whole body clenched up tight; I wasn't used to anything touching me there! But lit-

tle by little? With his fingers working my pussy and his tongue working my ass? I just came and came and came.

The next time we got together, I let him work a pinky in while he was eating my box. That was even better...and he knew just when I was cumming and while he sucked and licked and ate me, he started to pull that little finger out...and BANG! That was the craziest orgasm I'd ever

fuck myself. I even let my boyfriend use it on me a few times. But I am saving the real thing, in my pussy, for the man I marry.

**GIA:** If you're doing all the rest, wouldn't it be the same thing?

GABBY: Not to me, no. I just–I love to suck and just get on my knees and let him put it in my ass. Well, that part's only if his dick's not too big! The small ones are actually good for something! [Everyone laughs] But seriously, I have always said I wanted to save one special thing for the man I wanted to

"I sucked one, then I sucked the other."

had. I screamed! And mind you, I am not a screamer. The point? Never say never. With the right man, you just might like something that you never thought you would.

GABBY: Well, there's only one thing I really say no to right now-and that's no pee-pee to pee-pee sex! [Everyone laughs] I'll be the first one to say it: I have been with a lot of boys. I have sucked cock, which I love. I have had guys go down on me, which I love. I've had it in the butt. And I've even got a really good "friend"—I call him Fabio as a joke—a nice, thick seveninch vibrator cock that I like to use to

give myself to forever and that means something to me. So I've had plenty of guys ask the same question, "What's the difference?" So I always say to them, "If you're cumming, and I'm making you cum, what's the difference how we do it?" They never have an argument for me. No one has ever pressured me. They ask sometimes. I say no. They respect it.

**PEYTON:** So, then what's your favorite way to get off?

**GABBY:** Well, I don't really have a favorite. I just go with the flow. But the wildest thing I ever did was with two guys. One was Gary, this guy I

was seeing at the time, and the other was a mutual friend, Angel, who we've both known forever. The most important thing was that I totally trusted them both. It wasn't a planned thing. It just happened.

We were hanging out; having a mellow time, some video I liked came on and I started dancing. My guy and I started kissing and dancing, then the other one was dancing with us—me between them—and before I knew it, Angel was kissing my neck and breathing in my ear, and Gary was sitting on this big chair.

I got on my knees between his legs and started sucking his cock. Angel was sitting next to me on the floor, he had his hands up my dress and

my pussy was so wet. He worked me with his fingers. I was dripping. I mean, I could feel it on my legs! And Angel was watching me. He talked dirty to me-"Oh, baby, my dick is getting so hard watching you suck that cock, Gabby. Oh my God, it hurts...Look how good you suck it." And that was turning me on, too, that he was talking to me and watching me. And then he said, "Will you suck my cock, too?" The idea of having them both there at my mercy? Two thick, hot, juicy pricks in front of my face, each eager to get inside? I wanted it right that second.

So there they were, the two of them standing up, cocks out and hard and throbbing, and I was sitting on the couch between them, taking turns tonguing each head, holding both of them in my hands like man handles! I sucked one, then I sucked the other. I was sort of jerking Gary off and giving Angel's balls a squeeze while he stroked himself...and then they both came. In my mouth. At almost exactly the same time. Gary was quiet, but Angel was just dirty-talking the whole way through. Telling me how hot it is, how sexy I am, how this is the wildest thing he's ever done...

**PEYTON:** Oh, my gosh. I don't know if I could ever actually do that, but I think I know what I'm going to think about in the bathtub later!

[The girls double over cracking up.]

GABBY: I would do it again with them in a heartbeat. But you know the only thing I was missing was a third one to get between my legs and give my pussy a little tongue-love. I had no free hands!

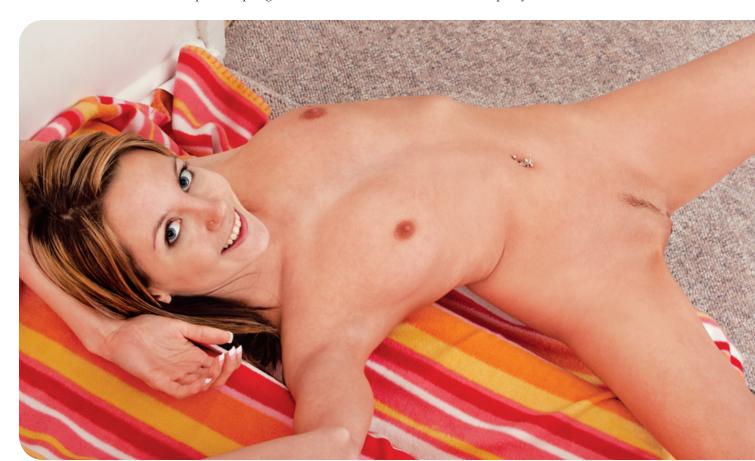

### Andi, please tell us you fucked him on one of the carnival rides.

"[Laughs] I totally did! First we walked around the empty fairgrounds and it was actually really cool! Then we sat in one of the cars in the ferris wheel and started making out. I didn't think the night was going to end with me fucking him, but I'm so glad it did because it was a great experience. He was amazing at eating my pussy. I got on top of him and rode him the whole time, and I got so wet that it left a stain on his pants. I apologized for that, but he seemed to think it was pretty awesome."

ost of these girls are relatively new to sex, and as a result, haven't had too much experience with anal play. Despite that, they're still happy to bend over and show you their buttholes. Those smiles aren't for nothing! "I love it when a guy tosses my salad," Elizabeth told us. "I also love getting my butthole waxed. Surprisingly, it doesn't hurt at all. It actually feels really good!" Thank goodness for the waxing trend that has emerged in the past few years. Not only do we get to enjoy hairless twats and buttholes because of it, but it's making girls more comfortable spreading their legs and buns!

#### **EXPLORING HER DEPTHS**

Continued from page 42

him, his girth forcing her sopping panties deeper into her soggy love trench. She groaned, the pressure he was mounting against her clit intensifying and giving her pleasure.

"Do you wanna fuck me, Doug?" she asked, staring into his eyes. Hers were a dark brown, almost chocolate.

His dick answered for him, finding her sweet spot. When he leaned against her, he drove his cockhead hard into the nub of her clit.

He ripped off her bloomers, tossing them aside. Maggie shifted back, resting her ass on the step leading up to the foredeck. She put her hands on Doug's chest, keeping him at bay long enough to part her lips. She bowed her head, letting a strand of drool trail from her mouth to his cock. The rope of saliva broke, and Maggie wrapped a hand around his pole, jacking him off with her spit.

"That was pretty fucking hot," he remarked. Maggie smiled seductively at him, raising one foot and placing it on a step, then doing the same with her other. She leaned back, legs wide, and spread the folds of her eager pussy for him.

"Right here," Maggie said, her voice low and hungry. "I want it. Right now. In me."

Doug fed the tip into her slick canal. She was virgin-tight, though Doug suspected Maggie and virginity had parted ways some time ago. Still, when he sunk another three inches into her twat, she enveloped his cock like quicksand, ferociously sucking him into her depths.

"Ye-e-e-e-a-a-a-a-a-h-h!" Maggie screamed, taking him by surprise. His eyes roamed his surroundings, and for a moment he forgot where they were. When it struck him that they were miles from shore, the fact that Maggie was a howler made him eager. Doug had fucked a lot of girls in his time, but he'd never crossed paths with a natural screamer. Behind those fabulous tits of hers, Maggie had some set of lungs. Doug had a craving to fuck a full-fledged orgasmic shriek out of her.

Feeling comfortable now-reservations over banging his friend's kid's brains out having disappeared—Doug felt it was his turn to do a little teasing. He worked her nips with his thumbs, rubbing them in slow circles while only letting her have half his length. Maggie grabbed hold of the handrails leading up to the foredeck, thrusting her hips forward, drawing more dick into her flooded lovehole. She worked him with her cunt, shifting her hips from side to side, meeting him on the downstroke, ass slapping wetly against the teak step.

Doug gave up on her nips and attacked her clit with the tip of his middle finger. Maggie howled again, bucking against the contact, her breath com-

Just looking down at her Doug that the Mag her Doug the Mag her Doug that the Mag her Doug the Ma

ing in great, heaving gulps. He was getting her close, all right-her knuckles had gone white.

"Yes! Yes! Yes! Yes! Yes! Yes! Yes!" Maggie cried, shaking her head from side to side. "Do it, Doug! Fuck me! Fuck me 'til I cum!"

She was panting like a dog who'd just chased down a hundred Frisbees. Doug picked his spot, and right before Maggie climaxed, drove his cock into her balls-deep. He slammed home with such force Maggie froze, her ass suspended in mid-air, shuddering from head to toe as the orgasm ripped through her.

Shriek, she did. Maggie heaved and twitched, racked with uncontrollable spasms as she came. Doug's ears rang, his dick locked inside her glistening pink vault.

"D-d-don't s-s-stop!" she begged, catching her breath. They were in a rhythm now, made more urgent by a patch of choppy water. The boat was rocking, waves slapping against the side as Doug hammered away at Maggie's teen slit.

"A-a-again, please," Maggie gasped, throwing her head back and uttering a scream that on shore, Doug felt certain, would have drawn a police response.

Her unrestrained moaning drove him wild. As Maggie came a second time, her snatch greedily trying to suck the jizz out of him, he slowed his pace, giving her a chance to recover.

"You, you're not stopping now, are you?" Maggie asked, sweat shimmering on her pretty face. Doug felt proud. He'd fucked the suntan lotion right off her. "You don't have to," Maggie assured him, her breasts heaving. "You can, y'know..."

But blowing his load in her pussy wasn't Doug's concern. Not that he would have minded pulling out and spraying her down with spooge if she didn't want him to cum inside of her twat. No, Doug had something else in mind. Something more naughty.

"Work up a mouthful of spit," Doug said. "I want to watch you do that thing again."

Maggie's eyes gleamed. She licked her lips, doing as he asked.

Maggie had no problem sucking a guy off, and didn't mind letting him shoot in her mouth. She got off on blow-

ing her first boyfriend a lot. She even liked the taste of jizz, the way a hot gush of cum felt when a guy shot on her tongue and down her throat. The thought of tasting Doug's wad—and sucking her own lube off his prick—made her toes tingle.

Before she could get to her knees, though, having slicked up his already well-oiled pole, Maggie found herself staring out at the ocean, over the foredeck, Doug's rough hands parting her round ass cheeks.

"Oh, Doug," she sighed, feeling the head of his dick probing the entry to her back door. This was something she hadn't expected. Nor was it something she'd planned on.

"You okay with this?" Doug asked, checking before moving forward. He wanted this, wanted it real bad. Just looking down at her puckered asshole made him want to shoot his load. But if she wasn't into it...

Maggie turned to look over her shoulder. "If you wanna finish in my ass," she told him. "I'm ready for an assful of cum."

"Coming right up," Doug answered, gently opening her up, his size giving her a bit of a problem until the first two inches had disappeared.

"Wait," she said, causing Doug to stop in his tracks. Maggie stepped onto the first step, and then settled back. Doug was much taller, but now, she had a little leverage.

"That good?" he asked. Maggie arched her back, taking another inch in response.

"Fucking great!" she moaned, moving like a stripper as Doug worked the rest of his shaft deep into her.

Ass-cherry popped...check! Maggie said silently, pushing up on her toes before dropping back onto his huge cock. Doug was stretching her to the limit.

He grunted, putting his hands on her hips, and pounded into her. Maggie felt like the pilings holding up the dock as high tide rolled in. Doug was like a force of nature, pumping her little ass full of cock. His thrusts were intense, his rhythm mesmerizing. The brief pain that had accompanied his penetration disappeared, and now Maggie was horny again, enjoying it all, taking every inch, the ring of muscle guarding her back door alternately thrumming with pleasure and numbed by the only rod Doug had that she cared about.

His hands found her swinging tits, squeezing them, mashing them together when he bottomed-out in her asshole. She let go of the railings and let her whole weight rest against him, her neck supported by his shoulder as he humped her.

"Any minute now, Mags," he said, kissing her ear and inserting his tongue, making her giggle. It was the first time he'd ever used her nickname, and she was surprised how much it turned her on.

"Any minute, you say?" Maggie said, reaching between her legs and diddling her clit.

"Any minute, and I'm going to cum," he answered, even though he knew she didn't need an explanation.

"Any minute...until you blow your load in me?" Maggie said, drawing the syllables out, intensifying things with her dirty talk. "Is that what you're gonna do? Fucking bust your nut in my ass, huh?"

"Hell yeah," he replied, increasing his pace.

"Can you tell I'm fingering myself? That turn you on? Knowing that I'm playing with my clit while you assfuck me?"

"Oh, yeah, Mags, do it!"

"You wanna feel me cum when you shoot, babe? Feel me getting off while you pump me full of jizz? Think I oughta fingerfuck myself while you empty your nuts in my ass?"

"Ungh!" Doug growled into her neck, trying desperately to hold on. Just a few more strokes, he thought, that's all it'd take.

"Feel that, Doug? That's my pussy, sweetie. I've got two fingers inside me. You can tell, can't...can't you? Can tell I'm about to—"

Doug erupted, sperm boiling out of his balls like bilge expelled from one of the ballast tanks. Hot jets of semen gushed out of him while Maggie thrashed and screeched, Doug's arms wrapped tightly around her so she wouldn't get hurt.

She was right. He could feel it, her orgasm vibrating through the both of them as he unleashed a final torrent of man-milk into her.

Somewhere in the distance, a horn bleated twice.

Somebody, thought Doug, Must have binoculars....

ow was fishing?" asked Maggie's dad, putting down his paper.

"It was so-so," she answered, putting a wrapped package of fish fillets into the refrigerator. "Doug got one, sent you a goodie-bag since you couldn't make it."

"Oh, that was nice of him," her father said, giving her a kiss on the cheek. "Wish I could get out there with you guys, but this weekend and next weekend are just too tied up."

"Oh, that's okay," Maggie told him. "We're going back out tomorrow. If we have a better day, it won't be like you're missing anything."

"Hah! Spoken like someone who isn't addicted to fishing."

"Maybe," Maggie said, walking a little tenderly up the stairs. "I guess I'll just have to go more."

"That's the spirit!" her dad called after her. "Every chance you get. Any day spent on a boat is a good day."

Dad, Maggie giggled to herself, you have no idea!

# Why do you think guys don't make the move sometimes?

"I think they're either intimidated or unsure of how I'll react. Fortunately I make it really obvious when I want to fuck someone, so I haven't had to make the first move on a guy too many times."

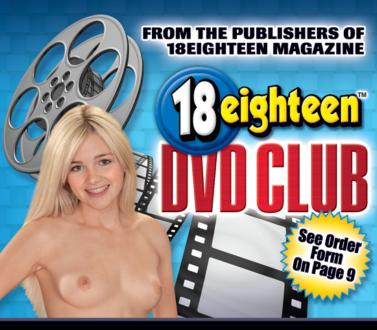

### When have you made a move?

"Once with this really cute guy, but I can't exactly blame him. We were at a club. It was dead, and I pulled him into the bathroom and started kissing him. He was into it, but not to the point of fucking me right there, which is what I wanted. After dropping some obvious hints I just took his cock out and rode it."
